The Bristol & Bath region is arguably the UK's most balanced and successful economy. Our highly skilled, diverse workforce contributes to a thriving and extensive, connected business base.

Our microelectronics, aerospace, advanced engineering, creative, financial and professional services clusters all make globally significant impacts on innovation, leadership and productivity.

At Invest Bristol & Bath, our job is to help businesses from here in the region to anywhere in the world tap into this expertise and talent to make their business thrive.

We know that businesses expanding to new destinations need to be able to quickly and easily access the full range of support services as well as the best professional support. Our team is experienced, knowledgeable and well connected. Through our Reception Service we can pass these advantages directly onto our most important investing businesses.
