

Welcome to Wickwar Playing Fields

Run England Route

What is ?

3-2-1 is a Run England project which aims to provide a range of marked out running or jogging routes across the country, so anyone can have a go. It is a way of providing a meaningful challenge to help more people get running when it best suits them.

Here at Wickwar Playing Fields we have a 1000 metre course and have installed posts at 100 metre intervals for you to use.

The map on this sign shows the location of the posts and what they signify. The marker disc on each post shows you the distance around the 1000 metre route. Use all or part of the course as you feel you want to.

Wickwar playing fields

Wickwar Playing Fields was purchased in 2007 by residents as an open space to be used for the purpose of sport and leisure.

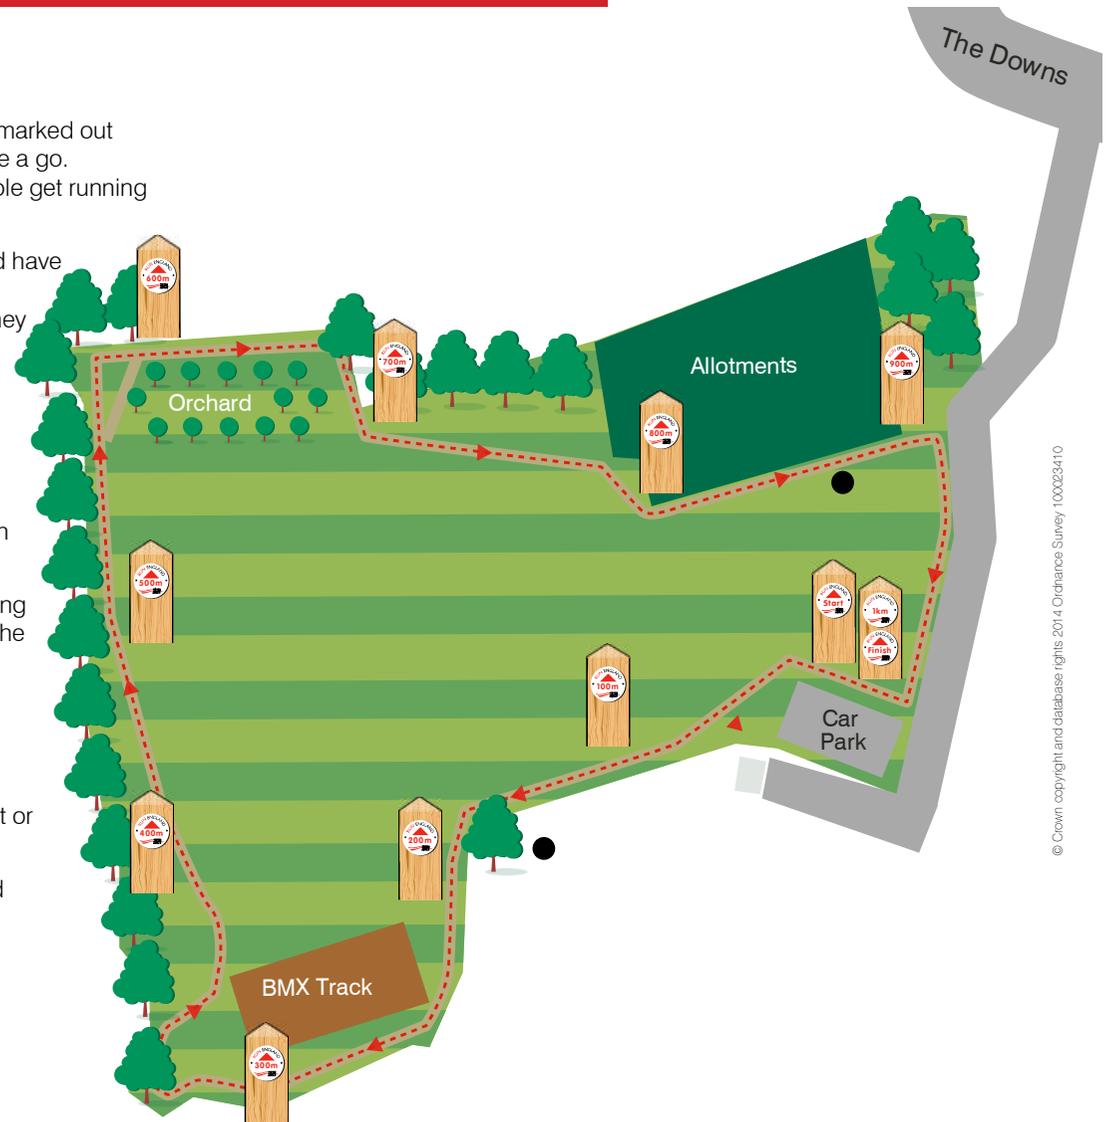

The playing field is managed by village Trustees of Wickwar Playing Fields Association to provide recreational facilities and enhance the environment.

A few polite notices

Wickwar Playing Fields are open to everyone. Please give way to other park users, even if it prevents you getting a personal best or hinders your training. There is always a next time!

The field is maintained by volunteers, so please pick up litter and collect dog mess to be disposed of responsibly.

Kind regards, WPFA Trustees
