- Learning events for practitioners

## *Best Start in Life Priorities*

- Hearing the voices of children
- Reducing the Educational Achievement gap
- Promoting good mental health
- Family stability and security
- Upskilling the children's workforce

Our vision for children & young people in South Gloucestershire is that they get the very best start in life, reach their full potential and live their lives safe from harm (violence, abuse, neglect, and/or exploitation). To achieve this vision, we will work together with local communities to improve their outcomes. We want South Gloucestershire to be a place where safeguarding is everybody's business.
