South Glos ROTH (risk outside the home) Tactical Group (replaces PIMM)

July 2025

Key Similarities

SG RTG will continue to take place on Tuesday afternoons on a fortnightly basis

A light blue downward-pointing arrow indicating a flow from the first point to the second.

The SG RTG will continue to be administered via the VRP

A light green downward-pointing arrow indicating a flow from the second point to the third.

All referrals to the SG RTG should be made to VRP@southglos.gov.uk

Key Overall changes:

The focus of the meeting will be about early intervention and prevention. The meeting will focus on VOLT, Victims, Offenders, Locations and Themes and the agenda ordered as such

Children already open to services, where ROTH is known and there is a multi-agency plan in place, will not be discussed at the SG RTG. It is expected partners will be involved in ongoing CP/CIN/EHAP meetings, where information will be shared and support needs identified and addressed

Referrals for 'new victims' will not be accepted without a completed ROTH Tool. The referral form will not ask you to duplicate information but the ROTH tool should enable clearer understanding about the holistic risk to a child regarding ROTH

Each referral received will go through a 'triage meeting' involving CSC and the VRP to decide if it is necessary at that time for the information to be heard/shared at a SG RTG

There will be 'core membership' for each meeting and additional people will be invited as needed depending on the nature of the referrals. All referrals will be given a timeslot to be heard and all referrers will be expected to attend as required

Key Changes for members

Core Members need to:

- ▶ Read all the information provided to you for each meeting in the sharepoint site in advance of the meeting and do your research about each referral to bring information you may have to the SG RTG
- ▶ Seek to provide cover or written updates in advance of the meeting if you are unable to attend
- ▶ Ensure that actions for your agency are followed up and the VRP are updated by the deadlines set
- ▶ Be of sufficient seniority to make decisions about thresholds for referrals to your service area/allocate resources to support referrals.
- ▶ Share relevant information about VOLT within their agency as agreed at an SG RTG

Additional Invitees

- ▶ Attend the RTG if requested to do so following your referral or ensure someone who has knowledge about your referral can attend in your absence
- ▶ Be prepared to take actions back following the RTG to your agency and update your Core Member rep when completed
