

South Gloucestershire Safeguarding Adults Board

Business Plan 2021-2023

Overview 2021-2023

The development session in July 2021 identified key priorities for the plan period of Sept 21- March 23

Exploitation	Actions	Lead	When	Outcomes
	Consider an Exploitation themed board meeting to share learning including: The South Gloucestershire picture Types of exploitation, Approaches known to be effective, Learning from SARs Learning from children's services	Sub group chairs	Sept 2021	
	SAB Self Audit: Include questions on theme of exploitation to assess organisational understanding and confidence about this theme	Board Manager	Summer 2021	
	Engagement with adults who have experienced exploitation. Hearing their voice. Include in opening safeguarding stories at LSAB. Consider creative ways to engage, including consultation, surveys and use of video	Communication & Engagement Sub group	Each quarter through 2021-22	
Transition	Actions	Lead	When	
	Consider opportunities for joint working with children's services about transition - Conference theme.	Learning & development Sub group	Autumn 2021	
	Assurance to the SGSAB that effective processes are in place across agencies for young people transitioning to adulthood and who have a continuing need of services. To include reporting to December LSAB meeting, highlighting good working practice and any gaps in services	LSAB members. Template for reporting from Board manager end Oct 2021	Dec 2021	
	Establish short life joint working group (in relation to young people's mental health, learning disability for example) including membership from SGSAB, Children's Partnership & Community Safety Partnership who will 1. Map service provision at transition points available in South Gloucestershire 2. Consider available data to help identification of risk	Board Manager to establish group	Summer 22	
	Transitioning of exploited young people, develop a pathway to ensure continued safeguarding and support of those young people who are at risk of exploitation or being exploited who become adults	Joint working group to identify if they need alternative membership	Summer 22	
	Develop multi-agency policy and practice guidance to support practitioners working with older children and young adults.	Policy & Procedure Sub group	Spring 2022	
H C	Actions	Lead	When	Outcomes

	Agenda item with more time given based on Judy's presentation in March and Kim Mylchreest's presentation in June, to consider board response and further action needed.	SAB members	Sept 2021	
	Data: Safeguarding referrals for homelessness, SAB to receive regular updates about numbers.	Performance data meeting group	Quarterly From Dec 2021	
	Safeguarding Adults Reviews: What is the picture nationally about homelessness? What learning has been identified? Benchmarking in South Glos against National SAR recommendations	SAR sub group	March 2022	
	Consider if any guidance or practitioner information guides are required	P&P sub group	Jan 2022	
Suicide Prevention	Actions	Lead	When	Outcomes
	Assurance to SAB from AWP about responses to referrals and waiting times.	Lynn Franklin/AWP	Dec 2021	
	Trauma Informed Approach to practice. <ul style="list-style-type: none"> What do SAB need to know? How are we ensuring practitioners working with adults are using this approach? What needs to happen? 	Lynn Gibbons	March 2022	
	Review offer of training to professionals about suicide prevention and what else needs to be offered to support practitioners	Learning & development sub group	March 2022	
	Data: What is the scale of the issue in South Glos? What data is available for SAB about suicide and suicide prevention?	Performance data meeting group	June 2022	
	Consider if any guidance or practitioner information guides are required	P&P sub group	Summer 2022	
Eng adi	Actions	Lead	When	Outcomes
	Consider ways for the SAB to hear the view of adults with lived experience of safeguarding, the process and who have accessed services in South Gloucestershire. <ul style="list-style-type: none"> Should this involve a rep at SAB? 	Communication & Engagement Group	Feb 2022	

	<ul style="list-style-type: none"> • A rep at each sub group? • A new sub group? 			
	<p>Scope where this has worked well in other regions, what has been achieved and how did others facilitate this? Make use of National SAB network Form a proposal for South Glas to bring to March SAB 2022</p>	Small working group – volunteers to be sought at Dec SAB	Spring 2022	
	Agree a proposal for a way forward at March SAB	SAB members	June 2022	
	Develop a charter to be agreed and signed by SAB members		June 2022	
	Consider the ways the voice of adults is reflected in multi-agency training, request an update from each trainer about how they incorporate Service user voices and ensure this is embedded in training.	Learning & Development Sub Group	March 2022	
Learning	Actions	Lead	When	Outcomes
	Ensure learning from local SARs is embedded into practice, seek assurance from board members that learning is applied into practice and that learning briefs, published SARs are shared widely with practitioners	SAR sub group	Spring 2022	
	Report at December 2021 SAB following the single agency audits that have been requested during the Summer 2021.	Business Manager	December SAB	
	Review of the evaluation process for multi agency training offer. How can the board be assured that outcomes from training are embedded into practice?	Learning & Development sub group	January 2022	
	Topic Areas: consideration of additional resources that are not training based around a topic. Development of Five minute guides for professionals, improved resources available on the board website	Learning & Development sub group	Summer 2022	
	<ul style="list-style-type: none"> • Quality Assurance sub group to undertake four multi agency audits on the themes of Exploitation; Self-Neglect; Voice of the adult; Transitions 	QA Sub group	One audit per quarter
