Gloucestershire

Safeguarding

Children

Board

Annual

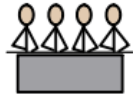

Report

**2018 – 2019**

2018 - 2019

4x

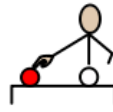

The Safeguarding Board met four times this year.

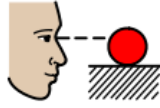

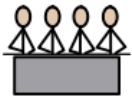

++

8

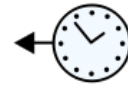

There are also 8 sub groups that meet.

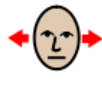

The board looks at data to make sure children are safe

64,826 children live in South Gloucestershire

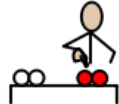

There were 1,942 phone calls when people were worried

a child might not be safe.

201 children have a plan to keep them safe.

192 children are looked after in care. Most of these

children live with a foster carer

TRAINING

Training

for adults

who

work

with

children

is important.

Last

year

1512

people

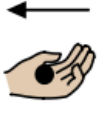

were

trained.

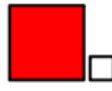

We

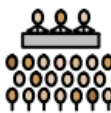

had

a

big

conference

in

March

about

disabled

children.

More

than

**100**

people

attended.

Making sure children are safe.

New booklets were made to help adults know the

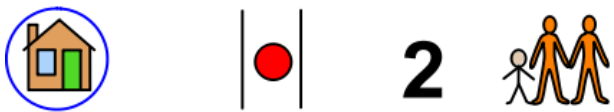

best way to work with children.

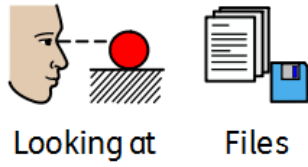

This new document is about children with disabilities

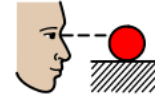

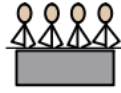

This new document is about abuse happening at

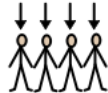

home between two adults.

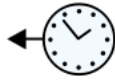

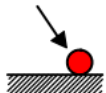

Looking at Files

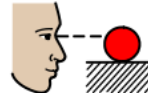

The Safeguarding Board has a group who look at files

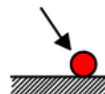

to check if everyone worked well together.

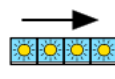

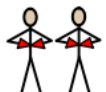

3

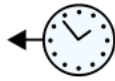

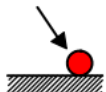

There were three meetings to look at files this year.

When something goes wrong there is a review to find out if

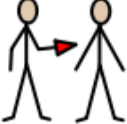

we can do things better in the future.

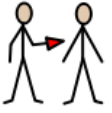

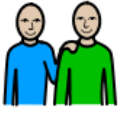

1

There was one review last year.
