The helpline is available

on 0800 5999 247 / Mon-Fri 9am-5pm

I was so alone and frightened. I am eternally grateful to the helpline staff who listened and understood what I was going through. They helped me turn my life around and were there when no one else was.

Family Justice Young People's Board – Mind your Language

Members of the Family Justice Young People Board have compiled a list of words and phrases that they often hear during family law proceedings. They want to encourage all professionals to stop using these and to think about the ways in which they speak to children and young people and how they refer to them in their reports, on file and to other professionals.
