AT THE BOARD

- The board began with a personal story of an adult who had been a former resident at Bedrock Lodge, and the differences to his life since leaving, to help members focus on the reason for meeting
- Updates received from all sub groups – board members were reminded about the importance of consistent attendance at sub groups in order that the work of the board can be effective.

SAFEGUARDING ADULT REVIEW

Board members had been asked to prepare single agency reports for the board detailing how the learning from the Nightingale Care SAR has been disseminated and implemented. Reports were shared at the meeting. The board also reviewed the action plan for the SAR.

SAB SELF AUDITS

Four Safeguarding Adults Boards have been working together to produce a self-audit for organisations working with adults across South Gloucestershire, Bristol, Bath and North East Somerset and North Somerset.
The self-audit has now been closed and agencies with outstanding submissions were reminded to complete the audit.

Performance Data

It was agreed that there will be a session arranged to demystify the language and terminology used in the data report.

NEW SAFEGUARDING LEAFLETS

The board agreed the safeguarding leaflets presented by the Communication and Engagement sub group and agreed an easy read version should be produced in addition. The leaflets will be produced as hard copies, and available to download from the SGSAB website
