When I say I am a  
Care Leaver,  
they don't know what  
that means

A group of young people aged  
16–25 recently told the Children's  
Partnership Exec this about their experience with  
professionals. If a young person told you they are  
a Care Leaver  
what would you do?

entitlements](#)

## HEALTH & WELLBEING

Care leavers have access to leisure  
facilities as part of the local offer:

- Free gym membership
- Free swimming
- Free Classes
- South Glos Council pays towards  
Christmas and other religious festivals  
and pays towards birthday celebrations

## RELATIONSHIPS

Care leavers have access to  
mentoring schemes and advocacy.  
The council participation team  
support the Experienced Panel in  
Care (EPIC) they focus on listening  
to your experiences, challenging  
stigma, and improving things for  
other young people

## DID YOU KNOW?

Care leavers have  
access to the Care  
Leaving Team.

- ✓ You could ask them  
about this, maybe ask  
for consent to link up.
- ✓ You can and should  
always check the young  
person has access to  
the local offer and has  
seen the Bridges app
- ✓ You can positively  
promote the tools and  
help available.
- ✓ Don't just tell them  
about it - have the app  
on your phone and  
show them.
