## MAKING SAFEGUARDING PERSONAL

### Presentation to the Board

The Board considered the recently published Making Safeguarding Personal suite of resources, in particular the document that give guidance to Safeguarding Adults Boards. You can find a copy [here](#).

There are nine steps outlined for Boards that include, leadership, workforce development, culture, listening to service users and mental capacity.

- \*Evidence strong leadership of Making Safeguarding Personal
- \*Promote and model the culture shift required for Making Safeguarding Personal
- \*Define core principles for strategy and practice
- \*Promote and support workplace and workforce development
- \*Seek assurance of and support development of competent practice in applying the Mental Capacity Act
- \*Ensure there is clear focus on prevention and early intervention
- \*Engage with communities and those who may be in need of safeguarding support
- \*Facilitate engagement of all organisations across the partnership in developing Making Safeguarding Personal
- \*Measure the difference Making Safeguarding Personal makes for people

## BUSINESS MATTERS

- **A draft of the Safeguarding Training Standards were considered by the board. It is hoped these will also be adopted regionally**
- **Board members also reviewed the Joint Safeguarding Adults Policy; Multi Agency Procedures and the new Self Neglect Guidance.**

**Any amendments or comments should be submitted by 22<sup>nd</sup> December to [Judy Eke](#) for the three policy/procedure documents and to [Nick Thorne](#) for the Training Standards**
