

# Smokefree South Gloucestershire Training 2020

Smokefree South Gloucestershire provides free training for health professionals in South Gloucestershire who deliver smoking cessation support as part of their role. These courses are predominately aimed at GP and Pharmacy staff working within South Gloucestershire. However, we will accept applicants from other settings on a case by case basis. If you would like to discuss setting up a service on your site, or for more information about the training programmes, please email [smokefree@southglos.gov.uk](mailto:smokefree@southglos.gov.uk) or call us on 01454 865502.

- **Stop Smoking Advisor Training:**

A 2-day course to learn the evidence-based way to support clients to stop smoking. Applicants will be trained to provide the full level two smoking cessation intervention, offering a combination of stop smoking medications and behavioural support. Please note: applicants must attend both session 1 and 2.
