

Winter Water Safety

Do's

ALWAYS hold hands with your child near the water

ALWAYS keep your dog on a lead when walking near water

ALWAYS wear bright colours in winter
Be **SAFE**
Be **SENSIBLE**
Be **SEEN**

ALWAYS Call 999 if you see a person or an animal in trouble

Don'ts

NEVER drive through flood water, it may be deeper than you think and hidden dangers may lie beneath.

Turn around and find an alternative route

NEVER walk on a frozen pond or lake, the ice could be very thin and crack beneath you

NEVER get too close to the edge of the water, It's easy to slip, trip or fall in

NEVER enter the water yourself
ALWAYS call 999
