

# National Alert

01 September 2021

## NATIONAL ALERT

This briefing has been completed and is being sent out nationally due to a high level of concern for the individual/s listed within this briefing. The individual/s were previously in South Gloucestershire and are no longer believed to be.

The purpose of the briefing is to make Local Authorities (and sometimes other organisations and locations e.g. maternity units) aware of the concerns for the individual/s listed. The briefing will contain information regarding the concerns held for the individual and what action is required if the individual/s come to the attention of another Local Authority.

(Add in as many of the first table as required to cover all the individuals who you are worried about)
